

KEENER MARKETING

Application for Design Donation

Since August 2009 we've been dedicating our tithe to Pregnancy Resource Centers and other ministries. God has blessed us so much since then that we want to increase the amount we're giving. You can't out give God!

If your center is chosen you will be able to use any design service we offer and it is 100% free of charge, no strings attached.

"Honor the Lord with your wealth, with the firstfruits of all your crops." Proverbs 3:9 (NIV)

Please fill out the form below to tell me about a project we could help you with. Would you like to create that new website you've been putting off? Redesign that outdated brochure? Get rid of that logo from 1979? Take a look at the products on www.prcresources.com if you need ideas.

We will keep all the applications and each month review them and decide which to work for that month. (No phone calls, please.)

May God bless your ministry during these difficult times.
