

Life Care Center of Dayton, TN

Choose

life

The Supreme Court has given women the right to choose - Life Care Center is here to show women that LIFE is one of their options. Many see abortion as their only way out, but emotional and material support from concerned individuals can make choosing to continue their pregnancy a real option.

We not only offer them pregnancy tests, limited ultrasounds, accurate information and a 24-hour Hotline, but also confidential counseling, and adoption referrals, PLUS baby and maternity clothing and supplies.

Our work depends on the generosity of supporters like you. Will you partner with us give them the choice of life?

There are many ways you can help . . .

Walk for Life • Financial Partner • Mailing Helper • Volunteer • Prayer Support • Church Representative

Please call us today for more information about how you can share in the blessing of the ministry here at Life Care Center.
