# Something to CELEBRATE!

A baby's first birthday party is a big event - completing a whole year of life is a big accomplishment! We want every baby to be celebrated in a big way, because life is a gift.

When a pregnancy is unexpected, it can be difficult to see the new life growing in the womb as a gift. Plans will change, preparations will have to be made, and life will look different for the parents of a new baby. We want to help women and men see the beauty and joy in a new life. We want to be there to walk with them, answer their questions, and help them see the many reasons to celebrate the new life God has gifted them.

You can help our center as we seek to show love to women and men facing unexpected pregnancies. Here are some ways you can help:

- Volunteer your time!
- Give financially to support our programs.
- Pray for us as we encounter women and men who need to know about true hope and joy.
