

**Life is a
GIFT**

Gifts.

They are given, not earned. Sure, we could buy the same thing for ourselves, but it wouldn't mean as much as it does from someone we love.

But there is one gift you could never buy - the gift of your own life. It is freely given by a loving Creator. And think of the lives of those you love - parents, spouse, children - all priceless gifts from God.

We are here to help women see their unborn babies as a gift from God instead of a problem or choice. We offer truth and love, training and resources. And they are choosing the gift of life both for their children and for themselves in God's greatest gift of eternal life in Jesus Christ.

Some of the services we provide are:

- Free pregnancy tests
- Options counseling
- Abstinence Education programs
- Post Abortion Counseling

There are many ways you can be a part of this ministry:

- Volunteer
- Become a financial partner
- Donate services
- Be a church liaison

Thank you for giving so that another can experience the gift of life!
